Who we Are?

We work in a truly integrated way to provide technical and comprehensive solution to your projects in terms of supply products and offering services of wide range in different sectors from oil & gas to construction to defense and military. Our technical capabilities, asset quality and scale, and financial strength are unmatched among independent companies and uniquely position us to compete around the world. We are committed to the efficiency and effectiveness in all jobs we undertake whether an entire project or a part or a supplier of products and services to that project. Providing end to end solution to the customer takes ingenuity, technology and investment that we thrive in. Our innovative, collaborative team efforts help in yielding environment that improve quality of life.

What we do?

We are active in a wide range of geologic and geographic settings, including some of the most challenging areas. We provide and supply key products and all supporting products that help in operating key products plus personnel who know how to use these products. In services our range is wide from complete construction to facility management to rental equipment. Call upon us anytime for any of those.

Our Vision

To achieve excellence as the leader among others, globally respected, financially sound and positioned to generate future value for the stakeholders.

Our Mission

To develop people and resources that maximize the values of all around us.

Our Values

At Maratoo, what we do is important - and how we do it is even more so. Guided by our values of integrity, innovation and investment, we work hard to earn the high regard of our partners, investors and other stakeholders.

Integrity:

We demand integrity and personal accountability at every level of the company with an unwavering commitment to safety and environmental stewardship.

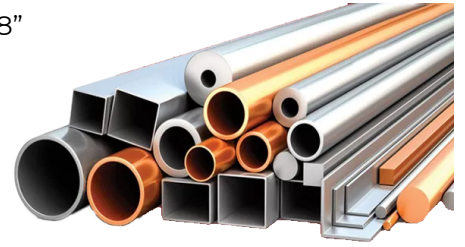

Innovation:

We promote innovation that improves processes and results. Setting high standards for everyone who works at Occidental, we reward top performance and ingenuity. We strategically invest in our assets around the world, and we invest in our employees to ensure they have every opportunity to grow professionally and excel.

Pipe, Fittings

Pipes: Seamless, ERW, SAW

We supply and stock seamless, ERW and SAW pipes from 1/8" up to 48" wide range in different grades and specs. Our delivery and stock program covers high specification standards of various international standard institution for metal testing.

Carbon Steel Standards :

A53 grade A + grade B, A106 grade B + grade C, A333 grade 3 + grade 6, API 5L grade B / X42 / X52 / X60 / X65 / X70, NACE MR 01-75.

Alloy Steel Standards:

A335 grade P1, A335 grade P5, A335 grade P9, A335 grade P11/P 12, A335 grade P22, A335 grade P91, Stainless Steel Standards: A312 / A358, A790

Stainless Steel Standards:

A312 / A358, A790

Fittings: Butt-weld & Forged

Our ability to supply a comprehensive range of pipe fittings to the standards of ANSI / MSS-SP, DIN, API, BS and other international standards. Sizes ranges are from 1/8" to 48" NB, in seamless or welded, in all wall thicknesses, to ANSI schedules or heavier or in any pressure class. Some of the products we are well known for are

- Elbows (Elbows 90, Elbow 45, Street Elbows,
- Tees
- Reducers
- Caps
- Couplings
- Bushings
- Unions and Nipples
- Crosses
- Plugs

Flanges:

We Supply flanges from the size 1/8" to 80" in all grades and accordance to international standards such as ASME/ANSI/SERIES A AND B/DIN/MSS-SP44/API-605,BS 3293 etc. Below are some major types we are capable of supplying Welding Neck, Slip-On, Blind, Socket Weld, Lap Joint, Screwed, Long Welding Neck, Cover, Swivel, Anchor, Pad and Reducing Flanges.

Valves & Lubricants

Valves:

Valves that we supply are carbon Steel, stainless steels, cast as well as forged. Some of the details are below

- Gate Valves: Sizes : 2" - 48" Connection in RF, RTJ, NPT and SW,
- Globe Valves: Sizes : 2" - 48", Connection in RF, RTJ, NPT and SW
- Valves & Lubricants
- Ball Valves: Floating Ball to BS5351in reduced and Full Bore execution, Connection : RF and RTJ
- Check Valves : Swing or non-slam type: Cast and Forged Steel Check valves, Connection in RF, RTJ
- Butterfly valves :

Safety relief valves Y-type strainers and plug valves are also in our range.

Gaskets & Fasteners:

We offer an extensive range of gaskets according to the need of end user. Below are main types of the whole range we can supply from stock and can custom manufacture via our partners.

- Ring Gasket
- Spiral wound Gasket
- ring
- Seals
- Gasket sheets- CAF, CNAF
- Flexible Graphite sheet
- Stud and Bolts: Standards; UNC, UNS, Metric Course, BSW, 8UN, UNF, Metric Fine, BS.

Lubricants and Jet-Lube Items

Supplying of Lubricants from top brand such as Caltex, Shell, Total and API compounds, Anti-seize Sealant and cleaners etc from Jet Lube.

- Anti-seize compounds
- API Compounds
- Cleaners and Degreasers
- Drop Pipe Sealants
- Drilling and Completion Compounds
- EP Greases
- Thread Sealing
- Thread lock Products
- Valve Opening Products: Ezy-Open Gel - Valve Penetrant Gel
- OCTG Compounds

Instruments Process and Controls

- Pressure & Temperature Recording
- Pressure Guages
- Controllers
- Transmitters
- Vibration
- Transducers
- Aerometers
- Torque
- Bactarial and Environmental
- Instruments
- Pressure Sensors
- Weighing Scales
- Temperature
- Indicators
- Sound
- Humidity
- Acutators

Some of
the Applications

Electrical Products

We market a wide range of electrical components serving the regional customer in different industries by assisting them in end to end solution of almost all electrical requirements.

Below are some areas we are no doubt best at

- Power/Communication Cables & Wires
- Single Core Wires,
- Xlpe Insulated Cables,
- Multicore Industrial Cables
- Rubber Cables/Welding Cables
- Panel/switchboard & Battery Cables
- Fire Performance Cables
- Elephone/data/fibre-optic/instrumentation/co-axial Cables

Lighting & Lighting Controls

- Industrial lighting
- Area lighting
- Decorative lighting
- Architectural and commercial lighting
- Emergency lighting & central battery system
- Pir/ultrasonic motion sensors/photocells
- Lighting controls/dimming systems

Lamps & Components

- Fluorescent and HALEGEN/Incandescent lamps
- HID lamps
- Ballasts/Transformers and Control Gear
- LEDs and Converters
- Special Lamps

Miscellaneous products

- Earthing & lightning protection
- Industrial ventilating systems
- Bells/buzzers, intercoms & door entry systems
- Electric tapes

Switchgear Components

- Modular distribution board components
- Main distribution/panel board circuit breakers
- Panel Board Accessories
- Distribution Boards & Enclosures
- Control & Automation Products

Personal Protection

Safety and Protection

Our safety and personal protection portfolio includes the followings:

- Coveralls
- Helmets
- Shoes & Boots
- Gloves
- Detectors
- Detectors, Gasses and Flames
- Breathing Apparatus
- Ear, Eye, and Face Protection
- Webbing Slings
- Safety Posters
- Full Body Harness
- Spill Kits
- Fire Extinguishers
- Safety Glasses
- Strechers

Hoses & Fittings

We are privileged to represent the leading Manufacturers of Hoses and Fittings. The excellent relationship we share with our partners enables us to act as a conduit towards delivering the benefits of their technology to our customers.

Hoses:

- Hydraulic Hose
- P.T.F.E. Hose
- Power Wash Hose Assembly
- Sewer Cleaning Hoses
- Industrial Hoses
- Hydraulic hoses: (R1AT/1SN, R2AT /2SN, 4SP, 4SH, R9, R12 etc)
- Industrial Hoses: (air/water hose, fuel oil hose, welding hose, sand blast hose ,Lay flat hose etc)
- Teflon Hose: (smoothbore, convoluted)
- Suction Discharge Hoses: (suction discharge water/oil/acid-alkali hose, cement suction delivery)
- Air hose
- High Pressure Pneumatic Hoses
- Bulk Cement Suction and Discharge hoses
- Oil Suction and discharge hoses
- Oil/Fuel Delivery Hoses
- PVC industrial hoses
- Sand Blast hoses
- UHMW Chemical Suction and Discharge hoses

Fittings:

- Adapters
- Clamps
- Camlocks
- Cam & Groove Fittings
- Claw Couplings
- Quick Couplings
- All type of fittings for above hoses

Tools and Machinery

The professional power tools range with numerous new tools meets the highest standards in speed, precision and toughness for professional work results. We carry out business as wholesaler and related spares and accessories to our end users. To meet an even broader range of needs the company also offers comprehensive array of power tools ranging from woodworking tools to construction tools.

We have:

- Power Tools
- Hand Tools
- Adhesives
- Abrasives
- Pipes & Tubing Tools
- Workshop Equipment
- Compressors

Rental Services

Our rental services give you the flexibility that each job requires with the performance and productivity you expect. With just one call or click, you will have your equipment on the road, no matter how much you need, how soon or how long you need it. To cater the growing demands in construction machinery and equipment rental due to the rapid growth of land development projects our rental services for heavy machinery was introduced

Why us?

- We fill the vacuum in the equipment rental market, and shares expertise at highly competitive prices.
- Our rental service offers a range of heavy equipment including Excavators, Graders and Dozers.
- Our fleet is capable to undertake any scope of work ranging from commercial, residential, land development and Government Projects.
- Our operators are trained to serve distinct customer segments requiring a high level of technical expertise.

We have:

- Bulldozers
- Cars & Mini Buses
- Mobile & Tower Cranes
- Pickups
- Caravans (Office & Living Purpose)
- Excavators
- Power Generators
- Trucks
- Telescope Handlers

Construction & Engineering

Through our extensive experience, we have adapted to changing political conditions and varied requirements in the region – experience that has given our clients the leverage of invaluable knowledge about the region's unique labor requirements, tribal associations and security.

What we do?

- Base Camp Construction
- Military Barracks
- Civilian Accomodation Blocks
- Offices & Medical Facilities
- Logistic Suppor including Sanitation
- Vehicle Maintenance Facilities
- Precast Structures
- Ready Mixed Marters
- Warehouse Construction
- Aircraft Hangers
- Frame CAD Buildings
- Boundary Walls
- Thermo Mass Insulated Wall Panels
- Farce Protection
- Specialty Precast Structures
- Plasters

Facilities Management

We provide such services as; life support , Catering, Cleaning Solutions, Fuel and Maintenance. Every contract is supported as if it is our only contract regardless of size. All of our services are provided to Private Clients, Companies, and Government Organizations. Our team is highly motivated, committed and focused on our customers' satisfaction.

We Provide

- Food Supply
- Power Distribution
- Water Supply
- Janitorial & Maintenance Services
- Black & Gray Water Treatment & Removal
- General Camp Mangement
- Electrical & Mechanical Installations

- Plumbing and HVAC Installations
- Maitenance & Repairs
- Personnel Supply
(Skilled & Unskilled)
- Consultancy Services
- Support Services
- House Keeping & Laundry

Procurement & Logistics

ODUDWRR has a proven track record for providing procurement and logistic support services to our various customers in the Middle East and South West Asia region. Our procurement and logistic solutions have been provided to all business sectors - defense, construction, commercial, oil and gas, aid/NGO - and in terrain ranging from benign to hostile. No matter how large or small the requirements may be, we have the market knowledge and local contacts to provide customers with cost-effective and value-added solutions.

By using US/EU procurement and accounting standards we ensure familiarity with all client accounting and logistics systems. No matter how large or small the requirements may be, we have the market knowledge and local contacts to provide customers with cost-effective and value-added solutions. Our Logistic Support Services include:

- Customs Clearance and Local Delivery
- Overland and Cross-Border Trucking
- Ocean Freight
- Air Freight
- Warehousing/Distribution/Storage
- Hazardous and Perishable Cargo Transportation

Personnel Supply

Maratoo has a wealth of experience finding personnel who work well in extreme environmental conditions. We provide management, technical and general labor resource solutions to our clients by investing our time and energy to understand your business needs in detail, thus ensuring that our proposed resource solutions add value, make a positive and lasting contribution to the performance of your projects and business.

All applicants are fully scrutinized using time-tested evaluations, including background and medical checks, verification of education and training credentials, and a job-specific interview. We currently employ over 2800 personnel in Afghanistan and Iraq, many of whom have been engaged on long/medium term projects for our clients and have extensive on site experience.

Our typical personnel projects include:

- Construction personnel
- Project Managers
- Engineers and Surveyors
- Clerks, Admin and Accounting
- Safety and Medical Technicians
- Catering
- Cleaning and Facilities Management staff

Chemical supply

Maratoo we are steadfast in our commitment to delivering high-quality chemical products and services tailored to the unique requirements of our clients. As a key player in the petroleum services industry, we engage in various segments of the petroleum sector, including exploration, production, refining, and distribution. Our expertise encompasses the utilization of chemicals in critical processes like drilling, extraction, refining, and the treatment of petroleum products.

Our Specialized Product Offerings We are proud to offer a diverse array of specialized chemical products, each designed to enhance efficiency and performance in different operations within the petroleum industry:

- **Drilling Fluids:**
 - Our range includes oil-based, water-based, and synthetic-based drilling fluids.
 - We provide mud additives, lubricants, and other essential chemicals.
 - Our fluids are tailored to meet the specific needs of varied drilling operations, ensuring superior performance.
- **Completion Fluids:**
 - We supply an extensive array of completion fluids suited for various applications such as gravel packing, perforating, and fracturing operations.
 - Our products are customized to align with the unique requirements of our clients.
 - These fluids are engineered to offer exceptional performance in diverse completion scenarios.
- **Production Chemicals:**
 - Our selection of production chemicals is formulated to optimize production and boost operational efficiency.
 - This category includes corrosion inhibitors, scale inhibitors, biocides, demulsifiers, and other specialty chemicals.
 - We also offer bespoke chemical solutions based on the individual needs of our clients.
- **Stimulation Chemicals:**
 - As a leading supplier in the oil and gas industry, Maratoo specializes in high-quality stimulation chemicals.
 - Our product range is crucial for well stimulation treatments, including hydraulic fracturing and acidizing.
 - Leveraging years of experience and expertise, we provide chemicals that are pivotal for effective and efficient stimulation processes.

At Maratoo, our expertise and commitment to quality ensure that we provide our clients with the most effective and reliable chemical solutions, catering to the intricate demands of the petroleum industry.
